

Come Race Outriggers in the Gorge

*Join us for the Premier
Outrigger Race in the Northwest*

The

13th Annual

**Gorge Outrigger Races
in beautiful Stevenson, Washington**

**3 fun-filled days of friends, camping, and racing
in the wild, windy and rough-water conditions of the
Columbia River**

July 17-19th

- Friday July 17th – Unofficial OC-1/OC-2 downwind run from Stevenson to Home Valley. There's nothing like 5 miles of straight downwind swells to remind us why we LOVE to paddle outrigger in the waves. This day is a grass roots fun run!
- Saturday July 18th – OC-6 races followed by awards and SKITS at the camp grounds. Yes! We are bringing back the SKITS so rally your club or crew to get a little something together to show your stuff!
- Sunday July 19th – OC-1, OC-2 and Surfski races. The SUP race will be one lap, approximately 3 miles. But don't be fooled, that is a hard 3 miles! Immediately after the races we will have awards and a raffle.

We'd love to share with you what the Northwest has to offer in terms of rough water racing.
