

Come Race Outriggers in the Gorge

*Join us for the Premier
Outrigger Race in the Northwest*

The

12th Annual

**Gorge Outrigger Races
in beautiful Stevenson, Washington**

**3 fun-filled days of friends, camping, and racing
in the wild, windy and rough-water conditions of the
Columbia River**

July 18-19th

- Friday July 18th – Unofficial OC-1/OC-2 downwind run from Stevenson to Home Valley. There's nothing like 5 miles of straight downwind swells to remind us why we LOVE to paddle outrigger in the waves. This day is a grass roots fun run!
- Saturday July 19th – OC-6 races followed by awards and SKITS at the camp grounds. Yes! We are bringing back the SKITS so rally your club or crew to get a little something together to show your stuff!
- Sunday July 20th – OC-1, OC-2 and Surfski races. New for this year is the Stand Up Paddle race. The SUP race will be one lap, approximately 2.25 miles. Immediately after the races we will have awards and a raffle.

We'd love to share with you what the Northwest has to offer in terms of rough water racing.
